

2009 Toronto Open Taekwondo Championships Winners

Former British National team member, Viresh Mistry, and his ACE Taekwondo athletes were at the Churchill Meadows Activity Centre to celebrate and highlight the athletes who participated in the 2009 Toronto International Open Championships.

Viresh Mistry's athletes had successfully collected four gold, eight silver and three bronze medals. With good reason, pride in the results was evident in the faces of the athletes, Viresh and his team of instructors.
